

Conventions used in this yearbook

- 0 Rounded zero or value negligible.
- Absolute zero.
- .
- 195** Figures in bold type show new or revised values.
- Break in the series.

Notes

Rounding differences

The figures in the tables are rounded. Where rounded figures are used in calculations (totals, balances, rates of change, shares), deviations from the exact values can result.

Further information

publications@snb.ch

Editorial deadline

The cut-off date for the tables was 27 May 2011.

SNB website

Banks in Switzerland on the SNB website

The tables published in *Banks in Switzerland* are also available on the SNB website at www.snb.ch, *Publications*, *Banks in Switzerland*, and are updated annually.

Moreover, some tables that are not included in the printed version of *Banks in Switzerland* for lack of space are published on the SNB website. In the table of contents, *website* is added next to these supplementary tables instead of the page number. The name of the table has three digits, e.g. 561, 562.
