SNB-CIF Conference on Cryptoassets and Financial Innovation

31 May 2019 – Zurich, Switzerland

The Swiss National Bank (SNB) and the Center for Innovative Finance (CIF) of the University of Basel are inviting paper submissions for a conference on Cryptoassets and Financial Innovation, to be held in Zurich on 31 May 2019.

Possible topics include, but are not limited to:

- Impact of DLT technology and fintech on central bank policy and operations
- Impact of DLT technology and fintech on banking, financial markets and financial market infrastructures
- Central bank digital currencies
- Trusted digital identities and financial innovation

Authors are asked to submit their paper (English; preliminary or full version, including abstract, JEL codes, keywords and references) including the full name and contact information of the author(s), as well as an accompanying CV. Paper proposals are due by January 30, 2019, and should be sent to finance.research@snb.ch.

Organising Committee:

Aleksander Berentsen, Center for Innovative Finance (CIF), University of Basel

Thomas Moser, Swiss National Bank

Christopher Waller, Federal Reserve Bank of St. Louis

Marcel Savioz, Swiss National Bank

Fabian Schär, Center for Innovative Finance (CIF), University of Basel
