

SCHWEIZERISCHE NATIONALBANK
BANQUE NATIONALE SUISSE
BANCA NAZIONALE SVIZZERA
BANCA NAZIUNALA SVIZRA
SWISS NATIONAL BANK 

The Swiss National Bank (SNB), as an independent central bank, conducts a monetary policy that serves the interests of the country as a whole. It ensures price stability and helps to create the conditions for favourable economic development. The SNB's **English Language Services** has a job opening for an

English financial translator (80%)

Job description:

- Translating a wide range of texts from German (and occasionally French) into English, with a strong focus on economics and finance;
- Editing texts written in English.

Job requirements:

- English native speaker with excellent German; good command of French an advantage;
- Degree in translation or an equivalent university degree;
- At least five years of translation experience in the areas of economics and finance;
- Experience with translation software (SDL Trados);
- Strong organisational skills, detail-minded, flexible, team-oriented.

This is a responsible, varied and challenging position. You will be working in a friendly, collaborative environment within an organisation that will support and encourage you in your personal and professional development. We offer attractive employment conditions and our offices are situated in a prime location in the heart of Zurich.

We look forward to meeting you. Please send your cover letter and full application using our [online application tool](#).
