

Letter of motivation for joining the Swiss Foreign Exchange Committee

Applicants interested in joining the Swiss Foreign Exchange Committee (Swiss FXC) are requested to submit this letter of motivation together with a CV of the person nominated to participate on behalf of the institution. Furthermore, please provide your institution's Statement of Commitment (SoC) to the FX Global Code, either by sending us a signed copy or by providing information in which register(s) your SoC is available.

Please submit all documents until **14 August 2020** to swissfxc@snb.ch. The eligibility criteria are specified in the Terms of Reference. The selection criteria will ensure that different market participants are adequately represented. The SNB's decision on the nominations will be communicated to all applicants after completion of the selection process.

Institution information

Institution:
Please describe your institution's role in the foreign exchange market:
Do you consider your institution to be a "sell-side" or a "buy-side" participant in the foreign exchange market:
