These Regulations lay down the tasks and powers of the Audit Committee of the Swiss National Bank (SNB), as well as its composition, organisation and reporting activities.

Art. 2 Mandate
1 The Audit Committee shall assist the Bank Council in monitoring financial reporting and the activities of external and internal auditors. It shall also assess the adequacy and effectiveness of the internal control system (ICS), in particular regarding the processes for managing operational risk and ensuring compliance with laws, regulations and directives.

2 The members of the Audit Committee shall be independent, in particular of internal and external auditors and the Enlarged Governing Board. The majority of Audit Committee members shall have knowledge and experience in the areas of finance, accounting and auditing.

3 It shall assess material modifications to the accounting principles, as well as to the structure of the annual financial statements and the interim results.

2 It shall review the audit plan of the external Audit Board and coordinate the collaboration between external and internal auditors, in particular with regard to the type and scope of the audits and the resources to be used.

3 It shall approve – for the attention of the Bank Council – the fee budget submitted by the external Audit Board. It shall assess the quality of the work performed by the external Audit Board, the fees and the conditions of the mandate on an annual basis.

4 It shall discuss with the external Audit Board the result of the audit of the annual financial statements. It may call upon the Head of Internal Audit and the head of the Finance and Risk unit to attend the discussion.

5 It shall examine the findings and recommendations of the external Audit Board, including the comprehensive report (management letter), and explain the Audit Board’s reports to the Bank Council.

2 It shall approve the annual audit plan of the Internal Audit unit after the plan has been submitted to the SNB’s Enlarged Governing Board. It shall also approve any significant changes to the audit plan.
3 It shall assess the quality of the work performed by Internal Audit as well as the efficiency of the collaboration between Internal Audit and the external Audit Board. It shall keep itself informed on the resource situation at Internal Audit.

5 It shall discuss significant events and fundamental issues relating to the conduct of the audit with the Head of Internal Audit.

**III. Powers**

**Art. 9 Right of inspection and right of information**

1 The Enlarged Governing Board shall give the Audit Committee access to all information that the latter needs for the fulfilment of its mandate in accordance with art. 2. The Audit Committee may demand all the documents and information from the Enlarged Governing Board that it deems necessary and appropriate for the fulfilment of its mandate.

2 The Audit Committee may question SNB employees if necessary. The Chairman of the Governing Board shall be informed of this in advance unless the President of the Bank Council rules otherwise.

**Art. 10 Further investigations**

1 The Audit Committee may conduct further investigations that it considers necessary and appropriate for the fulfilment of its mandate in accordance with art. 2.

2 In doing so, it may instruct Internal Audit and the external Audit Board to perform certain tasks.

**Art. 11 Special investigations**

If there are grounds to suspect serious irregularities or a lack of risk control, the Audit Committee may conduct special investigations in agreement with the president of the Bank Council. For this purpose, additional internal and/or external resources (e.g. specialists) may be called upon. The Chairman of the Governing Board shall be informed of this in advance unless the President of the Bank Council rules otherwise.
