Fabio Bossi to become new SNB delegate for regional economic relations for the Italian-speaking Switzerland region

With effect from 1 September 2011, Fabio Bossi will take on the function of Swiss National Bank delegate for regional economic relations for the Italian-speaking Switzerland region. In this function, located in Lugano, he will succeed Mauro Picchi, who is taking early retirement. Fabio Bossi is an economist. To date, he has been working as an economic advisor at the Canton of Ticino's Department of Finance and Economic Affairs.

The SNB's delegates for regional economic relations (of which there are eight) are constantly in touch with a large number of enterprises from the different economic sectors and industries. Their reports are a valuable source of information for the Governing Board in its assessment of the economic situation. The delegates also have the task of briefing their respective regions on the SNB's policies.
