

HOTEL OPERA ZÜRICH

From Zürich-Kloten Airport to the Hotel Opera

The journey on the **S16 train** line takes just 16 minutes to reach Stadelhofen station, which is only 200 metres from the hotel. If you first want to do some shopping on the Bahnhofstrasse, you should get out at the Hauptbahnhof (main train station).

Tickets can be bought at the airport station, credit cards accepted

By car

If you are arriving by car, once in the city centre, follow the signs for “**See**” (lake), then continue on to Bellevue and then as far as the Opera House. You can park in the public parking spaces in the vicinity of the hotel, or use the Utoquai multi-storey car park.

From the Hauptbahnhof to the Hotel Opera

There are plenty of **taxis** waiting at the Main Train Station. Depending on the traffic, they are not always the most practical option. The best way to get to the Opera is by train; take the S-Bahn in the direction of “Stadelhofen”, and after just a three-minute journey, get out at Stadelhofen station, which is just around the corner from the hotel. You can also take the **number 4 tram** along the Limmat River to the “Opernhaus” stop – a great way of getting to know the city.

Public transport plays a leading role

Thanks to the excellent public transport network, even without a car you can remain mobile, both in Zürich and all over Switzerland.
