Railway station

There is a direct railway link between the airport and Zurich's main railway station (Zurich Hauptbahnhof, or Zurich HB for short) we recommend that you take one of the many trains to Zurich HB. From there you can walk (5-10 minutes) to your hotel or the Metropol Conference venue, or you can take a taxi.

Travel costs for presenters and discussants

The SNB will cover all the travel costs of presenters and discussants at the SNB Research Conference in Zurich. Hotel bills will be sent directly to the SNB. At the conference we will hand out forms which we ask you to complete and return to us, enclosing your original travel documents.

Please return these forms and documents to Sarah Hörler (please find the address on page 9) by 31 October 2012.
